Cosmetic Enhancement for Men

"In an ultra competitive society, men are like women in seeking an advantage from their appearance," explains cosmetic surgeon Marc DuPéré, owner of the VISAGE clinic in Toronto's Fashion District. "They take a lot of care with their appearance, because status symbols aren't sexy by themselves anymore. Many are seeking a young, athletic appearance as well."

"Most of what we do can be done very quickly," says DuPéré. "Sometimes, all you need to do is give up your lunch hour! And since these procedures leave no marks or scars, patients don't need to go and hide after treatment. It's become

The Consider restricts for Health Lefoverston has standfled another brench today, one on the convertic surgery actives is in year.
