FOCUS: **Botox**

Personal Focus: two pages dedicated to exploring the quality 610 Antiperspirant

– who needs it? HEALTH First it was wrinkles and then they discovered that Botox could end problem perspiration. But now, as ALEXANDRA SHIMO reports, more and more people want the shots so they don't perspire at all

"Today we are treating students, teachers, realestate agents, nurses and business people, who sweat a normal amount, but want the treatment for cosmetic reasons," says Marc DuPéré, a plastic surgeon in Toronto.
